
Tpts, Tptm	Thorp formation	Kms	Mount Stuart batholith
Tmcrb	Columbia River basalt	Jic	Ingalls complex
Teru, Term, Terl	Roslyn formation	JKes	Easton schist
Tete	Teanaway volcanics	Jlm	Lookout Mountain unit
Teta, Tesp	Taneum/Silver Pass volcanics		
Tes	Swauk formation		

Figure 7. Geology and topography of the upper Yakima River drainage and Wenatchee Range. Note the fairly straightforward pattern of NW-SE anticlines and synclines, and interference with more east-west structures. Geology from Tabor et al. (1982; 2000).
